The Community Engagement and Research Resource presents

A Community-Based Participatory Research Training Workshop

Melissa Valerio, PhD
University of Michigan, Assistant Professor, Health Behavior and Health Education, Detroit Community-Academic Urban Research Center

Yolanda Hill Ashford, MSW
University of Michigan, Project Manager, Detroit Health Department, Detroit Community-Academic Urban Research Center

Wednesday, May 26 – Friday, May 28, 2010
Moody Gardens Hotel (Salon FGH)
8:00 am - 4:00 pm

Please join us for a 2 ½ day workshop aimed at how to create and sustain university and community partnerships in addressing health issues and develop, conduct, evaluate, and disseminate CBPR projects.

Faculty, trainees, students and community members with an interest in CBPR are encouraged to attend.
